Central Bank inks co-lending pacts with two NBFCs

PRESS TRUST OF INDIA
New Delhi, June 7

This is according to the co-lending model scheme announced by RBI in November

The partnership will result in a greater disbursement of housing loans by Central Bank of India, Indiabulls HFL and IIFL Home Finance.

The partnership will result in a greater disbursement of housing loans by Central Bank of India, Indiabulls HFL and IIFL HFL, the bank said.

NBFCs will service the loan account throughout the life cycle of the loan. The lender said this arrangement will help all the three players expand their reach across India.

In November last year, the Reserve Bank of India had announced a co-lending model (CLM) scheme under which banks can provide loans along with NBFCs to priority sector borrowers based on a prior agreement.

Under this arrangement, non-banking finance companies (NBFCs) will originate and process retail home loans while Central Bank of India will take into its book 80% of the housing loan under direct assignment transactions, the lender said in separate regulatory filings.

The bank said it has entered into strategic co-lending partnership with Indiabulls Housing Finance and IIFL Home Finance to offer housing loans under priority sector to homebuyers at competitive rates.

MF debt schemes: Sebi asks to make disclosure based on interest, credit risk

SEBI ON MONDAY asked mutual funds to classify all debt schemes in terms of a potential risk class matrix, based on interest and credit risk. In this regard, a display table has been made mandatory from December 1, 2021, Sebi said in a circular.

The 9-cell table or matrix will display the interest and credit risk associated with the scheme. This will provide relevant information to investors to make an informed decision while making decision low risk to moderate risk to high risk in combination of credit and interest rate risks, an expert said.

While the Risk-o-Meter reflects the current risk of the scheme at a given point in time, Sebi said a need was felt for disclosure of the maximum risk the fund manager can take in the scheme. The decision has been taken based on the recommendation of the Mutual Fund Advisory Committee and discussions held with MFs.
